Practices. Environment and Climate

Sagi joined our office in 2023. Sagi is a lawyer in the commercial department, specializing in environmental law, cleantech and clean energy. Sagi is highly experienced in the field of environmental protection. He completed his legal training in the environmental nonprofit "Adam Teva v'Din", and later served as legal advisor to the animal rights organisation "Let the Animals Live". He later worked as a private lawyer specialising in administrative law and work with nonprofit organizations. In recent years he served as VP and legal advisor to Hiddush ״ע״ Freedom of Religion for Israel.
