Practices.	Labor Law and Labor Relations

---

Ayelet is a partner in Lipa Meir's Labor and Employment Department. Her practice involves professional ongoing consultation to employers in the collective and individual labor law, as well as consultation in special projects such as M&A, reorganization and RIF processes in the workplace, and insolvency proceedings. Furthermore, Ayelet represents employers and senior employees in private and collective labor disputes in the labor courts and in various governmental authorities.

Ayelet has been recognized as an expert in labor law by both Israeli and international ranking guides. She has been acknowledged as a "Next Generation" lawyer for 2024 by the international ranking guide Legal 500.

Ayelet has extensive experience in advising international and technology companies, among others.

Ayelet is a member of the International Society for Labor Law and Social Security (the Israeli branch).
