

Automotive

We have cultivated vast experience in the field of transportation. We are well versed in all the issues facing clients from this industry, among others, in relation to their M&A transactions, antitrust concerns, corporate law, litigation, class actions, domestic and cross border transactions, privacy and cyber laws, technological and intellectual property agreements, insurance agreements, etc.

Thanks to our wealth of experience and expertise, we have become the go-to firm for a variety of clients in this field, including public transportation operators, automotive importers, leasing companies, service providers and providers of complementary products, such as tracking and navigation devices and technologies.
