

## Health & Life Sciences

### Ranking

Clients have come to depend on our comprehensive knowledge of the public and private healthcare sectors and an in-depth understanding of the field's multifaceted and diverse nature. Such is our sophisticated advice and unwavering commitment to the sector, we represent all types of health clients – from healthcare providers, start-ups and established companies, suppliers and clients in pharmaceutical, medical devices, biotechnology and the hot topic of medical cannabis – an area in which we have accumulated vast experience.

Our Rolls Royce service is valued by the most illustrious clients in the market – among them Clalit Health Services, the largest Health Maintenance Organization (HMO) in the country and the second largest healthcare provider in the world, as well as its many subsidiaries (Mor – the Institute for Medical Information Ltd., S.L.H. Health Services Ltd., Clalit Medical Engineering Ltd., Tel-Bar Industries for Health Institutions Ltd., Mor-Mar Diagnostic Imaging Ltd., and Mor Research Applications Ltd., the Clalit Group's technology transfer company).

Furthermore, we have developed special expertise in group health insurance in general and in collective long-term care insurance in particular, and handle all aspects of the collective long-term care insurance for members of Clalit, covering more than 1.8 million insured members.

In addition to their day-to-day commercial needs, such clients turn to Lipa Meir & Co. for the complete gamut of advice, including financing, healthcare mergers and acquisitions, commercial and licensing agreements, clinical and other trial agreements, R&D agreements, agreements for collaborations with medical institutions, universities and research entities, manufacturing agreements, distribution agreements, administrative and regulatory issues, occupational health and safety regulations, insurance law, intellectual property, litigation, class actions, as well ethical questions, the right of patients to privacy, pharmaceutical and device manufacturers, and much more.

As such, clients are reassured by this substantial experience, which allows us to translate the complexities of the law, the legislative process and reforms to ensure they achieve their objectives in a cost-effective and timely manner.

Over the years, our firm has been professionally recognized as a leading firm in the field of healthcare and life sciences by both Israeli and international ranking directories.
