

Arbitration & ADR

Lipa Meir & Co.'s arbitration and alternative dispute resolution (ADR) practice is as an integral part of its Litigation Department.

Comprising a team of expert Arbitration & ADR attorneys, the firm is vastly experienced in choosing the suitable alternative dispute resolution framework outside of court. Among the considerations in this respect are costs, time saving, confidentiality and avoidance of exposure, as well as other legal considerations.

The team has diverse experience in representing clients in complex and large-scale arbitration proceedings in all aspects of commercial and civil law.

Esteemed throughout the Israeli legal milieu for their dispute resolution expertise, the firm's senior partners are often chosen to serve as arbitrators and mediators themselves, managing intricate disputes pertaining to commercial and civil law.
