

Litigation & Dispute Resolution

Ranking

The Lipa Meir & Co. Litigation Department, headed by Adv. Alon Pomeranc, is one of the leading litigation departments in Israel, demonstrating a differentiating high expertise in the corporate-commercial practice areas. With a client list containing some of Israel's largest companies and institutions as well as multinational corporations, the department is acknowledged for its unmatched experience in high profile and complex litigation and dispute resolution cases. The department's attorneys are proficient in court appearances before all instances and tribunals, including arbitration and mediation.

The Litigation Department is an integral part of Lipa Meir & Co. Its attorneys are staunch adherents of business efficacy, incorporating their clients' commercial needs in each case's legal strategy. Consequently, all legal cases are managed using a proactive, innovative approach, which is of distinct nature within the Israeli legal milieu. An eminent example for this trait is their reputation for settling legal disputes in a prompt and efficient manner, often before legal proceedings had even begun.

The firm's attorneys are known for the punctilious, high quality management of litigation cases, as well as for their outstanding track record of successes.

Since the founding of the firm, the attorneys of the Litigation Department constantly develop their litigation skills while relentlessly acquiring legal knowledge in different fields of the law. Similarly, the litigation team has a diverse and extensive experience of representing both companies and business people before Israeli courts, tribunals, and arbitration panels in the utmost professional way.

Attesting to its legal skills are a multiple of high-profile cases they managed over the years, many of which have raised serious public debates and resulted in rulings with extensive implications. The firm is placed in the first tier of Israeli law firms in its capacity to manage intricate, multifaceted disputes than span multiple disciplines.

The Litigation Department provides litigation and other dispute resolution services in most of the civil, commercial and administrative fields, with an expertise in financial claims, banking, debt recovery, insolvency and liquidations, media & communications, technology, real estate, tender law, class actions, business and trade, corporations, capital market and securities, shareholders disputes, intellectual property, antitrust, white collar crimes and labor law.

Over the years, the litigation department, led by Alon, has gained professional recognition as a leading department in litigation and dispute resolution, class action lawsuits, and derivative suits, both in the Israeli and international business arena. This recognition has also been affirmed by Israeli and international ranking guides, such as Chambers and Partners and Legal 500.

The department was ranked by The Legal 500: Lipa Meir & Co's disputes team has experience acting for major domestic clients and government entities in a variety of infrastructure, tax and banking litigation. Alon Pomeranc represented The Paz Group in mediation and also handled high-value disputes for Bank Hapoalim.
