

## Defense Industries & Homeland Security

Our firm provides advice and support to the defense industries and homeland security companies, across a broad range of transactions in this field. Clients include leading governmental and institutional entities, public companies, banks and insurance companies, companies in the defense industry and private companies that supply a variety of products and services to these industries.

In addition to the business and commercial legal framework, the firm assists our clients in defining and managing their internal regulatory policy on information security risks and risks of cyber-attacks. We also provide due diligence services for compliance with legislation, Israeli and international standards, and related government and security agency resolutions.

The firm has the capacity to meet the needs of diverse corporations and clients, based on their size and character.
